ORGANIZED IN 1851. YOU CAN WIN WITHOUT DYING.

Though you are bound to win if you die, provided you are insured. ARE YOU?
The insured under policy 108 037 in the PHOENIX MUTUAL LIFE INSURANCE COMPANY, of Hartford, Connecticut, who took out a 20-Year Endowment, near middle life, is very much alive. This is how he won.

He Received at maturity, the face value of the policy—\$10,000

He Paid twenty annual premiums and received in annual dividends \$2,500, making the net cost only \$7,280

His Profit was \$2,720 or over 37 per cent more than he paid, even at his age.

Wasn't That Winning?
Had he died during the 20 years, his Beneficiary would have received the \$10,000 plus the annual dividends up to that time, whatever year, which at two years would have been \$10,200, at ten \$11,200, and so on. THIS TELLS THE STORY: "WE PAY ANNUAL DIVIDENDS."

An Important Question Settled

As more than two-thirds of the human body is composed of water, it is all important that one's Drinking Water should be pure. Impure Water is more dangerous than adulterated food. It costs less to buy GLENN SPRINGS MINERAL WATER and thereby keep in health than to restore your health when once it is lost. This important question of health can be solved by the use of GLENN SPRINGS WATER, which is not only free from impurities, but which itself will purify, invigorate and strengthen. As a remedial agent it has no equal, being a specific for all diseases of the Liver, Stomach, Kidneys and Skin.

CLARENCE THRAILKILL IS NOW IN STRIPES.

HIS ATTORNEY WRITES GOVERNOR HEYWARD THAT THE YOUNG MAN GAVE HIMSELF UP WITHOUT UNNECESSARY DELAY.

Mr. Eugene W. Able of Saluda, one of the attorneys of Clarence Thraillkill, has written to Gov. Heyward that Thraillkill has surrendered to the supervisor of Saluda county and is now at work on the county poorhouse farm. This statement from Mr. Able was provoked by a publication in The State to the effect that Thraillkill's case had been decided some time ago and the convicted man had not begun to serve his sentence.

The publication appeared in The State of the 17th and some time that day Thraillkill gave himself up. The law requires that after a case has been decided by the supreme court, the remittor of the court must be held by the clerk for 10 days and for that reason there was the delay which could not be understood by the correspondent from Saluda county, who made complaint to Gov. Heyward that Thraillkill was at large, although his case had been decided adversely to his interests by the supreme court.

Since the order of the court has been sent down to the clerk of the court of Saluda county Thraillkill has been setting up his affairs and making some arrangements for his mother as he was the only male member of the family grown, his father, Morgan Thraillkill, having been sent to the penitentiary for life for having killed Benny Burton, the same man for whose death Clarence Thraillkill also is being punished.

As soon as Clarence Thraillkill had made these arrangements he went over to Saluda and gave himself up. He stated that the remittor was received on the 10th and that after considering the delay in communicating this fact by mail from the courthouse to Monetta, Clarence Thraillkill was in custody on the 17th--The State.

GRICE-COCKERELL

When God said, "It is not well for man to live alone," it was implied that people should marry and be given in marriage, and from the beginning of time such has been the case and such will be the case until the son of man comes in his glory to judge the quick and the dead.

On last Sunday afternoon a quiet marriage was celebrated at the residence of J. C. Glover; the high contracting parties on this occasion being Mr. John Grice and Miss Anna Cockerell, J. C. Glover by virtue of his office as Notary Public tied the silken cord which made them one.

The groom is a worthy young farmer of the Monetta section.

The bride is the daughter of Wm. Cockerell Esq., a prosperous farmer of the same section. On this occasion the bride looked handsome in a light blue dress made of broad cloth and not to match. She wore the regulation bridal veil.

After the ceremony many were the hearty congratulations extended to the happy pair with fond wishes that their pathway through life will be paths of pleasantness and peace.

MONEY WORKS WHILE YOU SLEEP.

There is no use to work for money unless you make your money work for you. A man with money who does not make that money work is no better off than a wage earner. Money will work while you sleep, if you put it out at interest--it has a perpetual ever increasing earning capacity. For illustration, deposit one hundred dollars today in the Savings Department of the First National Bank of Batesburg where the interest will be calculated four times a year at four per cent per annum, you will be astonished to know that at the end of twenty years your principal will not be one hundred dollars but Two Hundred and Twenty Five Dollars. Don't let your dollars grow rusty for lack of use--deposit in our bank and make your money help you make money. Tell your friends about it.

A DINNER AT THE LEXINGTON.

WM. M. CARTER ENTERTAINS BEVERLY SLOAN AND TEN OTHERS IN HONOR OF CUPID'S WORK.

GOOD FELLOWSHIP AND WITTY REMARKS HELD FULL SWAY

Mr. Wm. M. Carter, the efficient and genial cashier of the First National Bank, gave a dinner on Sunday last at the Lexington hotel in honor of his friend Mr. Beverly Sloan, of Columbia; the occasion being prompted by the announcement of Mr. Sloan's engagement to Miss Earle Watrons, of British Honduras, South America. Covers were laid for twelve and exactly that number enjoyed a sumptuous dinner.

The large dining room of the hotel was closed to all except Mr. Carter's guests. The table was beautifully decorated with cut flowers from Columbia and each diner as he left the table was presented with a pink carnation as a souvenir of the occasion. The only formal toast of the dinner was given by Mr. Carter to Mr. Sloan wherein he wished the groom elect all that could possibly befall a man so luckily situated on his road to happiness and affluence. Other minor remarks were made by each guest in quick succession and all during the dinner wit and humor together with merry laughter made the large room ring with merriment. Mr. J. R. McShee, of the Greenwood Index, failing to accept the invitation owing to pressure of business, Mr. R. Bayly was asked to fill the editors chair.

Those present were all mutual friends of Messrs Carter and Sloan. They were as follows: Capt. Christie Benet and Messrs A. W. Taylor, James G. Holmes, James A. Cathcart, D. M. Zimmerman, T. J. Goodwin and Tim F. Dialal of Columbia and M. W. Perry, E. L. Hartley and N. Rogers Bayly of Batesburg.

LEESVILLE SUN CHANGED HANDS.

EDITOR J. W. COONER JR., HAS SOLD THE PAPER TO MESSRS EARGLE AND HARE.

The Leesville Sun which has been shining for the past several months had this week a partial eclipse between issues. The paper, quite a bright little sheet was started some time ago by Mr. J. W. Cooner Jr., and has done much good for the Leesville community. This week Mr. Cooner sold out his interests to Messrs Hare and Eargle. Mr. Hare it is alleged, will consolidate the plant of the Summit News Letter with that of the Leesville Sun. Mr. Hare is an old news paper man and is thoroughly conversant with the business. Mr. Eargle heretofore has always been engaged in mercantile life and will have the mysteries of the profession to learn.

We wish the new concern a successful business career and may the rays of the sun never grow less.

WHERE ARE THEY? AND WHEN WILL THEY PUT IN AN APPEARANCE.

EVERYBODY GUESSING.

It is rumored that surveyors are at work on the proposed line to be run by electricity from Columbia to Aiken. It is quite a matter for conjecture whether it is a fact or not. Some say they have seen them at work between Columbia and Lexington but that has been several days ago and if they really are making the survey it no doubt must be a very exact and careful one judging from the time it takes to cover the ground. At any rate everybody is anxiously looking for them to show up and make the many rumors an established fact beyond the shadow of a doubt. The promoters of the road will find that there are a good many public spirited men in this community who will give them all the aid possible. Let it come.

SEVENTY SEVEN YEARS OF USEFULNESS.

MRS. CATHERINE BATES DIED ON ST. PATRICK'S DAY. A MUCH LOVED OLD LADY.

Seventy-seven years of honor; seventy-five years of usefulness; seventy-seven years of christian character which made a lasting impression on the community in which she moved and had her being. These words can appropriately be written of Mrs. Catherine Bates who departed this life on Saturday March 17th 1906 after an illness of many months duration.

Mrs. Bates was the wife of the late Capt. T. B. Bates who preceded her to the spirit land many years ago. At this time her gentle spirit is joined to his around that great white throne in glory, where they will ever sing praises to Him who redeemed them throughout the countless ages.

Mrs. Bates was a woman of a quiet and unostentatious disposition, but she made her impression on all with whom she came in contact. The poor whom the favour once said, "We have with us always, and never turned away from her door. Verily she was open handed, but not to be seen and read of men."

Sixty years ago she gave her heart to Jesus and united with Bethel Baptist church and during all those sixty years she was a zealous christian. For a number of years she had been in failing health, but was always cheerful under the affliction. For quite a while she was not able to attend divine service, but to doubt she was there in spirit.

Mrs. Bates is survived by one son, N. A. Bates and a number of grandchildren. To each and every one of them we wish to extend our sympathy and point them to the man of sorrow and acquainted with grief. Her funeral services were conducted at her late residence Sunday afternoon by her pastor Rev. S. R. Bass in the presence of a large concourse of sorrowing friends and relatives.

Her remains were interred in the Batesburg cemetery. The following gentlemen acted as pall bearers: T. D. Villard, J. C. Glover, E. R. Steadman, W. Cooner, T. B. Quattlebaum and E. C. Ridgell.

A large number of the old family servants were present and a great many of them were weeping, which went to show that she was held in esteem by all who knew her.

Mrs. Bates is also survived by one sister and one brother, Mrs. Florella Youngblood and Mr. M. N. Holstein.

ATTY. GEN. U. X. GUNTER.

IS FIGHTING HARD FOR LIFE. HIS CONDITION NO WORSE.

U. X. Gunter, Jr., Attorney General of the State of South Carolina is still fighting for his life. At this writing his condition is somewhat improved and if he continues to take nourishment he has chances for recovery. All his relatives and friends are near him and the greatest precautions are continually kept up both night and day. If no complications set in his chances are good as his will power is far beyond the ordinary man.
